Dr. T. M. Sonneborn
Department of Zoology
Indiana University
Bloomington, Indiana

Dear Dr. Sonneborn:

Have you made any plans for the summer? As I told you in Dallas, we will be glad to provide laboratory space for you free of charge. If you are interested in coming, it would be well to make the reservation for living quarters fairly soon. Enclosed is an application blank for your convenience.

With best wishes,

Sincerely yours,

M. Demerec
